The Mayville Lodge of Elks contemplates putting on a minstrel show at the Washington Opera-house January 18th.

The Court of Appeals overruled the petition for rehearing the case of J. W. Bess, the Lexington murderer, under sentence of death.

Have just received an elegant line of Chafing Dishes, Baking Dishes and Coffee Machines, something new. Ticket on the elegant Diamond Ring with every \$1 worth of goods at our store. MURPHY, the Jeweler.

Alfred Allford, while in a state of intoxication, fell off the ferry boat last night and had it not have been for timely aid would have drowned. He was afterwards picked up by Officers Dryden and Senteney and taken to Jail.

There will be a congregational meeting of the First Baptist Church tomorrow morning to discuss the matter of a new Pastor. The roll will be called and all members are expected to be present. At night Mr. Musselman will preach on "The Climaxes of the Cross." Mrs. Edith Hamilton will sing at both services.

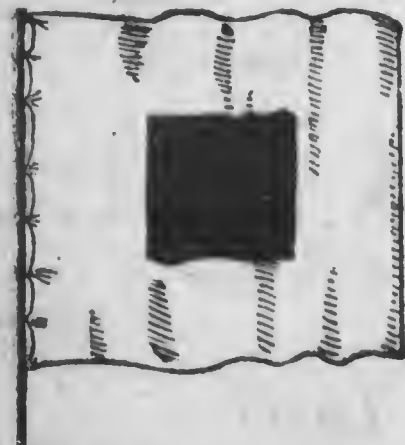

THE LEDGER gave warning some time ago as to the quantity of coal in the city yards. Now the supply is exhausted and there is not a bushel of the black diamonds for sale here at any price. The C. and O. Railroad has orders for Western points that require every pound it can haul, and the only hope this city has for a fresh supply is by river, and when the good Lord will send us rain sufficient to give us a coalboat rise, he alone knows.

Weather Man Promises Us a Fine, Large Cold Wave

A cold wave, with rain or snow—more likely snow—accompaniments, is the "cheerful" news that comes from the Weather Man.

The minimum temperature will be about 23°, and the chances are we will get now what we were expecting Thanksgiving—a foretaste of winter.

With no coal and no water to be had by the country people, this news will be "gratifying" indeed.

## CAN'T MAKE A MISTAKE.

All Maysville People Have To Do Is To Follow Their Neighbors Advice.

Our readers have no excuse for going astray. The way is almost fenced with guideposts in Maysville. They are on every highway and byway. "Ho who runs may read." Investigate this example:

Mr. Henry Bertram, boots and shoes, of 225 Market street, says:

"The great value of Doan's Kidney Pills are quickly proven. I procured them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. In a very short time I was cured of backache which had troubled me for some time. I gave some to a friend who suffered greatly from kidney ailments, and he said the results obtained from their use proved that Doan's Kidney Pills are a preparation which possess remarkable value."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

## STERLING FURS.

We draw strict lines in certain kinds of merchandise where deception is easy and common. Furs are on the list. The market is full of disreputable furs. Stores that are particular in other lines show furs that couldn't enter here at any price. Dispatches from over Kentucky indicate that the state is in the clutches of the severest drought experienced since 1854. With but few exceptions, the drought is general, no rain falling to amount to anything for four months. In the wheat growing sections the grain sowed in the fall has lain without sprouting, in many instances decaying. No tobacco has been stripped for the market. The scarcity of water in the districts not bordering on large streams has resulted in great loss to farmers. Many stockmen have had to sell their stock in order to prevent their decline. In other cases flocks have secured water at a great cost or of time. Southern Indiana is also experiencing unprecedented drought.

REV. J. M. EVANS

Good Work While Pastor of Presbyterian Church in Texas

The following is taken from a recent issue of The Clarksville (Tex.) Times in reference to the work at that place of the Rev. J. M. Evans of this city:

Sunday night Rev. J. M. Evans, the venerable and beloved Pastor of this Church, preached his farewell sermon which was eloquent, pathetic and replete with pure Gospel admonitions that found lodgment in many hearts. Rev. Evans stated that his work was about finished here and he would leave the following day for his home in Kentucky.

When Rev. Evans accepted the Pastorate of the Presbyterian Church at this place about a year ago it was practically in a dormant state, and the building, which was small and unfavorably situated, was sadly in need of repairs. After getting his congregation stirred up and well organized by earnest and untiring efforts, Rev. Evans undertook the difficult task of securing a more favorable situation and tearing down and rebuilding the Church house. By almost superhuman efforts he finally succeeded, building practically a new house much more conveniently situated than the old one, and as pretty as could be desired.

A general strike is in progress at Buenos Ayres.

A dispatch from Tokio says the Japanese have captured 203 Meter Hill after a fierce fight. The Russian Consul at Che Foo has sent a dispatch to St. Petersburg saying that two important forts were captured by the Japanese, with heavy losses, the besiegers losing 5,000 men in two hours.

Of the many honors paid Miss Cox's guest, Miss Bass of New York, none was more delightful than Miss Barbour's tea yesterday afternoon. A genial informality marked the occasion one of special charm, the pleased guests "fleeting time as in the golden age." Miss Barbour was gracefully assisted in her hospitalities by Mrs. J. Foster Barbour, the Misses Barbour and Mrs. John Barbour. Mesdames George Cox and John Hunt presided at the urns.

Miss Myra Duke entertains this evening for Miss Bass.

Therefore, just jump at these attractive offerings—

## FOR ONE BIG FAT TURKEY

You can read THE LEDGER 312 days or nights in the year, and as many other nights and days as you please. No limit to number, but only one Turk will be received from the same farmyard. This will enable the eater to write a nice notice of the person who sends the best.

## Grip Quickly Knocked Out.

Some weeks ago during the severe winter weather both my wife and myself contracted severe colds, which speedily developed into the worst kind of influenza with all its miserable symptoms," says Mr. J. S. Edgson of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, adding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip." These Tablets promote a healthy action of the bowels, liver and kidneys, which is always beneficial when the system is congested by a cold or attack of the grip. For sale by all druggists.

## Trials of Motherhood

295 Broad Street.  
PHILADELPHIA, PA., June 12, 1903.

I suffered for nine years with ovarian troubles making life a burden to myself as well as to my family. During that time I had two miscarriages and although we longed for a child to bless our home this seemed impossible. I had constant racking bearing-down pains in the pelvic organs and a pulling through my limbs with frequent headaches. I felt sick at my stomach and vomited frequently and no medicine helped me until I tried Wine of Cardui.

Then my general health improved, the pains gradually lessened and after 16 weeks I was well. I am now the happy mother of a boy eighteen months old and my husband joins me in sending heartfelt thanks to you for your splendid medicine. Without it, I would have been a childless, instead of a happy and well mother.

Ans. Fredrick Nirdlinger  
CHAIRMAN, ST. ANDREW'S ASSOCIATION.

## WINE OF CARDUI

Wine of Cardui is the most successful menstrual regulator. By regulating menstruation, Wine of Cardui banishes inflammation from the entire female organism and the strengthened ligaments bring the organs back to their proper place. This is what Wine of Cardui did for Mrs. Nirdlinger. It banished the racking pains and burning inflammation and brought her relief. She was restored to health and strength and gives Wine of Cardui the credit of making her able to become a happy mother. This medicine equips a woman for every duty of wifehood and motherhood. There are many suffering women who think that health can never be theirs because they cannot secure the services of a great specialist, but we want to say right here that while Mrs. Nirdlinger lives in Philadelphia, a great medical center, she depended on Wine of Cardui for a cure and she was cured. This same medicine is within your reach. Will you take it?

All druggists sell \$1.00 bottles Wine of Cardui.

Some people have the taking-cold habit. The old cold goes; a new one quickly comes. It's the story of a weak throat, weak lungs, a tendency to consumption. Ayer's Cherry Pectoral breaks up the taking-cold habit. It strengthens, soothes, heals. Consult your doctor about this. J. C. Ayer & Co., Lowell, Mass.

The Key that Unlocks the Door to Long Living.

The men of eighty-five and ninety years of age are not the rotund, well-fed, but thin, spare men who live on a slender diet. He as careful as he will, however, a man past middle age will occasionally eat too much or of some article of food not suited to his constitution, and will need a dose of Chamberlain's Stomach and Liver Tablets to cleanse and invigorate his stomach and regulate his liver and bowels. When this is done there is no reason why the average man should not live to old age. For sale by all druggists.

## THAT'S THE LEDGER.

The Rev. T. DeWitt Talmage says—  
"A newspaper whose columns over-  
flow with the advertisements of busi-  
ness men has more influence in at-  
tracting attention to and building up a  
city or town than any other agency  
that can be employed. People go where  
there is business. Capital and labor  
will locate where there is enterprising  
community. No power on earth is so  
strong to build up a town as newspa-  
pers well patronized, and this power  
should be appreciated."
